

The Meta Spiritual Teaching Centre

To Learn • To Grow • To Inspire

OUR MISSION STATEMENT

The Metaphysical Ministry of Canada in affiliation with The Bancroft Centre for Awakening Spiritual Growth and the Metaspiritual Teaching Centre strives to create not only an inspiring and supportive environment for our Ministers, but to build a nurturing spiritual community in which we can all share our gifts and grow in understanding of each other.

We are a Metaphysical Ministry Teaching Centre. All aspects of ministry are taught to help guide you through your own spiritual journey, and to assist you to determine how your own spiritual growth and awareness can help and inspire others who are looking for spiritual guidance.

We Ordain Ministers. We offer a well rounded program and touch on many aspects of Ministry. Our objective is to support you in your learning, to give you the tools to truly be of service, and to assist you to find your own unique calling.

In the words of our Founder, Rev. Rita Marie Browning, "*Metaphysics means I can open any door that feels right for me. I can embrace all religions, all aspects of nature, all aspects of spirit and all aspects of life. I can teach people that spirit does exist. That we never die. That just our body leaves us not our soul. That we are a continuation of God, the Universe, the Creator.*"
